14. [redacted] [redacted] OSI, mentioned that Agency STAT
representatives had entertained former Congressman Emilio Daddario,
Director, Office of Technology Assessment, for lunch the other day and
Daddario expressed interest in having Agency representation at some of his
meetings and of establishing areas of mutual cooperation between his Office
and the Agency. I told [redacted] I thought this was something our Subcommittees
should be aware of and pointed out that we were now getting requests from
a number of other outside organizations. [redacted] said they were aware of STAT
this and have made no firm commitments as yet. He said he would send me 25X1
a copy of their memo on this session.
